Look out for Counterfeits!

The public are cautioned against another counterfeit, which has lately made its appearance, called W. B. Farrell's Arabian Liniment, the most dangerous of all the counterfeits, because it is so similar to the original, that it is in good faith, without the knowledge that a counterfeit exists, and they will perhaps only discover their error when the serious and sometimes fatal effects are produced.

The genuine article is manufactured only by H. G. Farrell, sole inventor and proprietor, and whole sale druggist, No. 17 Main Street, Peoria, Illinois, to whom all applications for Agents must be addressed. He is the only one who has the letters H.
